DIRECTOR OF AUXILIARY FIRST SOUTHERN REGION INSTRUCTION 16792.3

Subj: FIRST COAST GUARD DISTRICT, SOUTHERN REGION – DISTRICT FLIGHT
SAFETY OFFICER

Ref: (a) District Aviation and Flight Examination Boards D1SRINST 16792.2

1. PURPOSE. This instruction emphasizes the location in the Chain of Leadership (CoL) for the District Flight Safety Officer (DFSO) for the First Southern Region.

2. ACTION. Effective January 21, 2005, the DFSO, appointed by the DIRAUX upon recommendation of the DSO-AV and the DAB will report to the Director, via the District Qualification Officer (DQO).

3. DIRECTIVES AFFECTED. None.

4. DISCUSSION.

- a. This chain of leadership will conform with FAA guidance that the “company” safety officer reports directly to the “senior company official”. The position description of the DFSO revolves around safety and professionalism. Since that is one of the primary responsibilities of DIRAUX in the management scheme of the Auxiliary, the CoL is structured in this manner.
- b. The DFSO will be a member of the District Aviation Board in accordance with reference (a).
